

Ivel Valley Summer Talks 2026

Join us for an engaging series of expert-led talks this Summer

By popular demand, we are pleased to announce a new series of Summer Talks at Priory Methodist Church.

Our group is fortunate to include members with a wide range of experience, skills, and professional backgrounds, and this series is an opportunity to share that knowledge. For this initial programme of three talks, two of our members will be presenting, alongside guest speaker Luke McCarthy—while not a member—is likely to be known to many of you through his work at My Foot Medic.

The talks will take place at Priory Church, Newnham Avenue, Bedford, MK41 9QJ, at 7:15pm for 7.30pm and lasting approximately two hours. Tea and biscuits will be provided.

Admission is £3.00 (cash, exact if possible), payable at the door, to cover hall hire.

Last in the series!

Coming Soon – Monday 14th September

Brian Gubbins, will give a talk entitled “The Mystery of the Cabin Boy Lost At Sea”, a who-done-it of sorts, that incorporates Brian’s extensive knowledge of genealogy. The story will be told in a similar fashion to the “Who Do You Think You Are?” television program and is non-technical so does not require any previous knowledge of family history research.
