

## Ivel Valley “Mountaineering Section”

**Proudly present a climb over the roof of the Millennium Dome**

*Saturday 21<sup>st</sup> June, from 11.15am (Meet 10:45 at Climb Entrance)*

You are invited to join an intrepid band of fellow members in the ascent and descent of the Millennium Dome in North Greenwich. It is claimed that on a clear day a view of 15 miles into the distance is possible.

Booking tickets is the responsibility of the individual member, booking is through <https://www.upattheo2.co.uk/>. The cost is £42.00 per person for a named individual and **is not transferable or refundable**.

Climbing parties set off every 15 minutes, so should the 11.15am be fully booked, try the 11.30am, 11.45am & 12.00pm, after which time we will be starting our walk.

### **How to get there**

North Greenwich is on the Jubilee Line which, if using Bedford Thameslink, it can be accessed from West Hampstead or London Bridge. If taking a different route, the meeting point is 10.45am at the Millennium Dome Climb entrance.

For those who wish, the climb will be followed by a 5-6 mile walk, ending at Falconwood Railway Station, where we will catch a train back to London Bridge.
