

Walking on Water

Saturday 22nd August 2026

Start Time: 8.45am Cost £16

Location: Cosgrove Wharf, Lock Lane, Cosgrove,
Milton Keynes MK19 7JR

Ahoy shipmates!

By popular request, we are repeating our epic 2023 voyage from Cosgrove to Stoke Bruene, via the Grand Union canal.

On board our self-drive vessel, 12 crew will ride aboard the boat whilst the other 12 crew will walk to the approximate halfway point (3 miles) at Yardley Marina. At this point those who walked board the vessel and those who rode walk the remaining 3 miles.

On reaching our destination, at the bottom of Stoke Bruene flight of locks, there will be an opportunity to visit the Museum and peer into the darkness of the Blisworth canal tunnel.

Finally, we do the whole thing in reverse.

In the first instance, please text me on 07989307046 to reserve a place and once you hear that you have a place, please pay **£16 per person** to include a donated cream tea, all surplus monies will go to Sue Ryder, St Johns Hospice at Moggerhanger.
